On June 14, 2011 Hon. Minister, Iris Evans hosted a luncheon in honour of the recent arrival of our new Consul General of Japan, Susumu Fukuda. The luncheon was held in Edmonton.

The luncheon provided the opportunity to get to know the new Consul General and his lovely wife. Consul General Fukuda has served in postings in Los Angeles, California, the Dominican Republic and was also Counsellor of the Japanese Embassies in Chile, Guatemala and Norway. His most recent posting was that of Consul General of Japan in Lima, Peru. Consul General Fukuda and his wife, Alicia have two daughters, Mie and Reina who are both studying in the USA. The Consul General enjoys golf and karaoke while his wife enjoys art and is honing her painting skills.

It was a great pleasure to meet and welcome the Consul General and his wife. We wish them a successful and enjoyable tenure in Alberta.
