

Memorial Dinner Reception

On March 08, 2012, Consul General for Japan, (Calgary) Susumu Fukuda and his wife Alicia invited a number of guests to their official residence. This was a special and memorial dinner reception in remembrance of the Great East Japan earth quake of March 11, 2011. A delicate, compassionate display of pictures was tastefully arranged in the living room reception area. This display provided graphic images of the devastation and the subsequent revival of the eastern coastal region of Japan subsequent to the disaster of March 11, 2011. This presentation will be on display at the Calgary Municipal Building Atrium, 800 Macleod Trail SE on March 12 – 16 from 10:00AM to 4:00PM.

The reception was highlighted by a presentation by Consul General Fukuda followed by a heart felt message from The Honourable Donald S. Ethell, Lieutenant Governor of Alberta.

The meal that followed featured rice and wines from the Tohoku Region of Japan. The hospitality of Consul General Fukuda and his wife, along with their staff, was second to none. It was an incredible evening, one filled with compassion and understanding for the people of Japan and the suffering and anguish that this catastrophic earth quake event caused.

We were honoured to be invited and to participate in such a memorable evening.

Hon. Donald S. Ethell, Lieutenant Governor of Alberta and Consul General for Japan (Calgary) Susumu Fukuda.

Hon. Donald S. Ethell, Lieutenant Governor of Alberta and Harold Perverseff.
